TO GRAND CANYON

For years, the Grand Canyon Railway traveled the scenic landscapes leading to one of the world's greatest natural wonders, starting at a charming depot located in the heart of Williams, Arizona. The train first arrived at the South Rim on September 17 1901, but then came the era of the automobile, when many of the great American railways were lost to both time and progress – until now. Today, the Grand Canyon Railway once again takes tens of thousands of passengers into Grand Canyon National Park by way of vintage train service every year. Experience the way of the West on the way to the canyon.

Make your special trip to Grand Canyon even more memorable by traveling aboard a vintage train along a century-old rail line. With six classes of restored passenger service, you'll journey back in time through pine forests and wide-open prairies as musicians play the tunes of the West on this uniquely historic Grand Canyon expedition. The Railway makes it easy to plan with packages that include accommodations in Williams and Grand Canyon, meals, activities and more! So come aboard and experience one of the great joys left in the world of travel.

Come Aboard and join the El Bekal Grand Canyon Trip as we journey to Williams AZ by Bus and then the next day to the South Rim by Train. We depart on Friday and return on Monday.
